Hello!

In 2021 I created All Through October as a way to further enjoy my favorite month. I figured it was about time to offer an updated version of this journal with new prompts to get the creative juices flowing!

As with the first version, there's space for you to record and review movies you watch and books you read throughout the month. As a huge fan of horror movies, I love watching them even more than usual in October.

I'm all ready to snuggle by the wood stove with my dogs and cat, read a scary story or October romance, and watch a good werewolf or vampire movie.

It's the time of year to make memories at a country fair and break out a favorite pumpkin or apple recipe.

I hope this is a happy, healthy, and peaceful year for you, and I hope you enjoy using this new 2023 version of All Through October. If you have any comments or suggestions, I would love to hear them. I can be reached at katehill2@yahoo.com.

Happy October!
